Re: Certificate of Appreciation

To whom it may concern,

This is to certify that Mr. Aranya Saha, a former undergraduate student of the Bangladesh University of Engineering and Technology (BUET), served as a Student Executive of the ACM SIGCOMM Student Chapter from April 2024 to February 2025.

During this period, Aranya demonstrated strong dedication and leadership in organizing academic events, fostering student engagement, and promoting service-oriented discussions within the chapter. His contributions were instrumental in enhancing the visibility and impact of the SIGCOMM community at BUET.

We thank him for his valuable service, collaborative spirit, and commitment to excellence throughout his duration of service.

Sincerely,
